

CITY OF TALLAHASSEE
RESIDENTIAL RECYCLING/GARBAGE/YARD WASTE INFORMATION

Curbside Pickup - our regular garbage and recycling pickup day is Friday and our bulky items such as discarded BBQ grills, furniture, mattresses, appliances and yard waste pickup day is every other week (every 2 weeks) on a Thursday designated as a **Red Week** and requires that you call 891-4968 for pickup. **Do not** put any garbage, household items or yard waste on Glenview. If possible, please haul leaves and other bags of yard waste away yourself.

Specifically, VEGETATIVE YARD DEBRIS (leaves and small limbs) for Red Week pickup should be placed within 3 ft of the street on YOUR OWN PROPERTY and set out to the curb in biodegradable bags, plastic bags or rigid containers. If the yard debris is a large pile or large limbs, a grapple truck maybe required and there may be a charge for this service. Regardless, for Red Week pickup you must call 891-4968. To obtain the Red Week schedule you may visit the [Talgov.com/YOU link](http://Talgov.com/YOU)

Lastly, the City asks that garbage cans be at least 3 ft. from obstacles and handles facing into the street. If you have boxes to recycle, they must be broken down and put near your recycle can for them to pick up.

In accordance with the City's ordinance and our governing documents, garbage containers should be placed at the curb by 6:30 am Friday (unless otherwise noted due to holidays) and returned to your garage no later than the day after garbage pickup. Non-compliant customers, after three violations, will be ticketed by the City and charged for Premium Service for one year and still require storage in your garage.
